CV content description

Hi. Artem Chechenets, my name is. I'm 25. I live in Moscow. Since 2009 successfully working in the field of design. Constantly improve their skills and follow the trends in the fields of web development, identity, printing, photography, infographics, typography and packaging. Have extensive experience in advertising agencies, publishing houses, production companies. At the moment, prefer web development and comprehensive support of companies as a designer is universal. You can also examine individual projects, namely the creation of something not like the others! I have creative thinking. I have no standard routine. I am not repeating myself. I always strive to make something new! Previously conducted in parallel projects recruiting companies/line selection. Learning Polish, Czech, English. I know English at the level of computer design, programming
