01.04.2018 – 01.03.2019

SWISSPORT INTERNATIONAL LTD., QUEENSTOWN, NZ

DISPATCHER

In Queenstown, NZ, I have been working as a handling agent and ramp dispatcher which included working on the plane from its arrival to departure. I have been communicating with pilots after plane arrival, engineering, gas refuel, check-in and other airport staff members. My other responsibility was to check the aircraft if everything is ok, undamaged and closed before I got connected with pilot again before departure and pushback. I have done this on planes A320 for JetStar and B737 for VirginAustralia company. I have also been working on private jets as a supervisor, where I needed to maintain a team of 2-4 members and take care of plane again from its arrival to departure. This has usually been done on aircraft type Fokker 50 for Alliance company.
